Provider Number Dual-Use Period Begins May 23, 2007

Beginning May 23, 2007, the California Department of Health Services (CDHS) is instituting a dual-use provider number period.

During this time, providers must use their Medi-Cal provider number on all claim transactions, and may also include their National Provider Identifier (NPI) on some transactions. Also, providers may receive their NPI (in addition to their Medi-Cal provider number) on claim payment responses via the electronic ASC X12N 835 transaction and the *Remittance Advice Details* (RAD).

Some claim forms, however, only have space available for one provider number. In that case, the Medi-Cal provider number must be used. These forms include:

- All Direct Data Entry (DDE) applications: Internet Professional Claim Submission (IPCS), Real-Time Internet Pharmacy (RTIP) and the Point of Service (POS) network.
- Electronic pharmacy claim form (NCPDP 5.1/1.1 standard).
- All proprietary Medi-Cal forms:

Stop Illegal Tobacco Sales

The simplest way to stop illegal tobacco sales to minors is for merchants to check ID and verify the age of the tobacco purchasers. Report illegal tobacco sales to 1-800-5-ASK-4-ID.

Dual-Use Period (*continued*)

Please check the Medi-Cal Web site (www.medi-cal.ca.gov) for additional exceptions and technical details about dual-use submission.

Medicare Crossover Claims

Medi-Cal currently receives electronic crossover files from the Medicare Coordination of Benefits Contractor (COBC), Group Health Incorporated (GHI). These crossovers, commonly referred to as “automatic crossover claims,” are transmitted by the COBC and processed automatically by Medi-Cal.

Automatic crossover processing on or after May 23, 2007 will depend on CMS requirements regarding the NPI and/or legacy Medicare provider number, and provider registration of their NPI(s) with Medi-Cal. When required by Medicare, only crossover claims containing an NPI registered with Medi-Cal will be processed automatically. Any crossover claims sent to Medi-Cal containing an NPI not registered with Medi-Cal will be rejected as unidentifiable.

Note: Paper and electronic Computer Media Claims (CMC) crossover claims received directly from providers will be rejected if they include only the NPI.

Obtaining an NPI

Providers who have not yet obtained an NPI can submit an online application at the NPPES Web site (<https://nppes.cms.hhs.gov>) or by mail to:

NPI Enumerator
P.O. Box 6059
Fargo, ND 58108-6059

When applying for an NPI, providers must include their legacy identifiers for all payers (for example, health insurance plans, state Medicaid agencies, Medicare). If reporting a Medicaid number, include the associated state name. This information is critical for payers to develop crosswalks and transition to the NPI.

Register NPI with Medi-Cal

Because of this dual-use period, CDHS is extending the NPI registration deadline to May 23, 2007. Providers who have not yet registered their NPI must do so through the online National Provider Identifier Collection (NPIC) system. To register through NPIC, go to the Medi-Cal Web site, then click the “NPI” link, then the “Register/Update/Inquire NPIs” link. NPIC allows Medi-Cal and Child Health and Disability Prevention (CHDP) providers to register one NPI for each active Medi-Cal/CHDP provider number currently enrolled.

Additional Resources

For additional questions regarding NPI, please contact the Telephone Service Center (TSC) at 1-800-541-5555, select language preference (option 11 for English; option 12 for Spanish), select option 16 from the main menu, then select option 18 from the submenu.

New Proprietary Forms Available July 1

Beginning July 1, 2007, new versions of many Medi-Cal proprietary forms will be available from Medi-Cal. Medi-Cal is revising proprietary forms to accommodate the use of the 10-digit National Provider Identifier (NPI) in November 2007. The following forms are updated:

Form Number	Form Name
18-1	<i>Request for Extension to Stay in Hospital</i>
18-2	<i>FAX Request for Extension to Stay in Hospital</i>
18-3	<i>Fax Treatment TAR for Mental Health Stay</i>
20-1CZ	<i>Long Term Care Treatment Authorization Request</i>

Please see **Proprietary Forms**, page 4

Proprietary Forms (*continued*)

Form Number	Form Name
25-1CZ	<i>Payment Request for Long Term Care</i>
30-1	<i>Pharmacy Claim Form</i>
30-4	<i>Compound Drug Pharmacy Claim Form</i>
50-1	<i>Treatment Authorization Request</i>
50-2	<i>FAX Treatment Authorization Request</i>
50-3	<i>Treatment Authorization Request</i>
55-1	<i>Medi-Cal Managed Care Authorization (Discharge Planning Option)</i>
60-1	<i>Claims Inquiry Form</i>
90-1	<i>Appeal Form</i>
PM 160	<i>CHDP Assessment Confidential Screening/Billing Report</i>
PM 160 INFO	<i>CHDP Assessment Confidential Screening/Billing Report</i>
TAR 3 Form	<i>Treatment Authorization Request Attachment Form</i>

Providers must still use their Medi-Cal provider number during the identifier dual-use period of May 23, 2007 to November 25, 2007. Starting November 26, 2007, providers must send their NPI only on all Medi-Cal forms.

Providers are encouraged to order only enough pre-NPI forms to last until the updated versions are available. Providers can place orders for the updated proprietary forms starting May 1, 2007, however, actual receipt of the new forms is anticipated after July 1, 2007.

Social Security Numbers Prohibited: Summer 2007 Implementation

In late summer 2007, the California Department of Health Services (CDHS) plans to implement new billing requirements that prohibit most providers from billing Medi-Cal using a recipient's Social Security Number (SSN). Providers should continue to make a good faith effort to obtain the Benefits Identification Card (BIC) information from the recipient and use the BIC when verifying eligibility, billing Medi-Cal or submitting *Treatment Authorization Requests* (TARs), instead of using the recipient's SSN.

Recipient Outreach

Providers can assist with the recipient outreach effort by:

- Reminding recipients to take their BIC with them to the doctor, pharmacy, hospital or any other health care provider to receive services.
- Instructing recipients to contact their county welfare office if they do not have a valid BIC or paper ID card, or if they need to report a lost or stolen BIC.
- Printing a copy of the *Always Take Your BIC With You* notice and sharing it with their Medi-Cal patients or the patients' family members, caretakers or authorized representatives. The notice is available in multiple languages on the Medi-Cal Web site (www.medi-cal.ca.gov). From the home page, click the "SSNs Prohibited: Summer 2007 Implementation" link in the "What's New" area.

Provider Outreach

To assist providers who have made a good faith effort to obtain their patients' BIC information, CDHS will post, prior to the implementation of the new billing requirements, a county contact list with telephone numbers on the Medi-Cal Web site so that providers can obtain the BIC information.

Use of SSNs

CDHS recognizes the importance of protecting the identity and health information of recipients and strongly encourages all providers to avoid using a recipient's SSN whenever possible.

Please see future *Medi-Cal Updates* for more information.

TAR Review and Appeal Process Update

Reviewing for Medical Necessity

California Code of Regulations (CCR), Title 22, Section 51003, has been revised to reflect changes implemented by Assembly Bill 2877 in July 2000. CCR, Title 22, Section 51003.1 has been added.

The revisions eliminate the previous timeliness requirements for *Treatment Authorization Request (TAR)* submissions, which stated that TARs must be submitted by certain deadlines in order to be adjudicated. Because TARs will be reviewed without regard to timeliness of submission, the provider is responsible for submitting sufficient medical justification to substantiate the request for services. The provider must explain why the services are medically necessary and/or submit supporting documentation indicating medical necessity.

Appeals

Effective April 1, 2007, TAR appeals will be consolidated into a one-level appeal process. The addition of CCR, Title 22, Section 51003.1 reflects this change. Providers may appeal denied or modified TARs by submitting all of the following documentation within 180 calendar days from the date of the original decision (TAR action date) by the medical consultant:

- A copy of the original or modified TAR and the service type requested
- Date(s) or service(s) in dispute
- Reason the appeal should be granted
- Medical records and any additional documentation that a provider chooses to submit to support the conclusion that services are medically necessary
- A new, completed TAR for the services appealed

The 180 calendar days are calculated in one of the following three ways:

- From the date the appeal is postmarked by the United States Postal Service
- From the date the appeal is personally delivered to the California Department of Health Services (CDHS) and date-stamped upon receipt
- From the date the appeal is date-stamped for deposit with a common carrier for delivery to CDHS

CDHS will review the provider appeal and send a written decision, including the basis of that decision, to the provider. When the appeal decision is based on the review of documented medical necessity, the written decision will be sent to the provider within 180 calendar days from the date of receipt by CDHS. When the appeal decision is a denial based on failure to submit the appeal within 180 calendar days from the date of the decision on the original TAR, the written decision will be sent to the provider within 60 calendar days from the date of receipt by CDHS. If a provider is not satisfied with the appeal decision, the provider may seek a judicial remedy pursuant to *Code of Civil Procedure*, Section 1085.

Exception: *Request for Mental Health Stay in Hospital* TARs (form 18-3) are still subject to a level one and level two appeal system. Refer to the *Inpatient Mental Health Services Program* section in the appropriate Part 2 Medi-Cal provider manual.

TAR appeal requests with supporting documentation are mailed to the following address:

California Department of Health Services
Medi-Cal Operations Division
TAR Administrative Remedy Section
MS 4505
1501 Capitol Avenue
P.O. Box 997419
Sacramento, CA 95899-7419

Please see **TAR Review**, page 6

TAR Review *(continued)*

Appeals with an original TAR action date prior to April 1, 2007, will be subject to the two-level appeal process and time frames and should be submitted to the appropriate Medi-Cal field office for the first level of review.

Questions may be addressed to the TAR Administrative Remedy Section at (916) 552-9110. Ask for the resource supervisor.

Manual pages reflecting this policy will be released in a future Medi-Cal Update.

Tape Media No Longer Accepted for Claims Submission

Effective June 1, 2007, magnetic tape or tape cartridges will no longer be accepted for claim submission to EDS. The California Department of Health Services (CDHS) has determined that tape submission is outdated technology and has found no providers still submitting claims on tape.

This information is reflected on manual replacement pages claim sub 2 and 9 (Part 1), cmc 3 and 4 (Part 1), cmc enroll 6 (Part 1), the CMC Enrollment Checklist (Part 1), elect 1 (Part 1), prov guide 11 (Part 1) and prov reg 3 (Part 1).

Special Claims Review Frequently Asked Questions Updated

Updates have been made to the Special Claims Review (SCR) Frequently Asked Questions (FAQs) on the Medi-Cal Web site (www.medi-cal.ca.gov). The FAQs can be found on the Medi-Cal Web site by clicking the “FAQs” link in the “Provider Resources” area and then by clicking the “Special Claims Review Frequently Asked Questions” link.

Informal Hearings for Sanctioned Medi-Cal Providers

A recent change in State law, Assembly Bill (AB) 530, Chapter 543, Statutes of 2006, requires the California Department of Health Services (CDHS) to develop a process for providers to meet and confer with CDHS representatives within 30 days after the issuance of a notification letter to the provider of a temporary withhold or temporary suspension sanction. The purpose of the informal meeting is to provide a forum for providers to present and discuss information and evidence that may impact CDHS’ decision to maintain the sanction. CDHS conducted a meeting with industry representatives to discuss development of the process and will be developing regulations regarding this process. The regulatory process will include an additional opportunity for public comment.

Providers placed on a temporary withhold or temporary suspension sanction will receive a letter from CDHS explaining the sanction and the process for requesting an informal meeting. Included with the letter will be an informal meeting request form. Any additional documentation provided to CDHS will be reviewed and an informal meeting will be scheduled with the provider.

Providers whose provider number(s) is placed on temporary withhold or temporary suspension have the right to appeal the sanction pursuant to *Welfare and Institutions Code* (W&I Code), Section 14043.65. The informal meeting offered to providers as a result of AB 530 is independent of these appeal rights, and does not replace them. Providers must file an appeal in order to preserve their appeal rights, regardless of whether they request a meet and confer in an informal meeting.

Section 14123.05 of the W&I Code states:

The department shall develop, in consultation with provider representatives, including, but not limited to, physician, pharmacy and medical supplies providers, a process that enables a provider to meet and confer with the appropriate department officials within 30 days after the issuance of a letter notifying the provider of a temporary withhold of payments, pursuant to Section 14107.11, or a temporary suspension, pursuant to subdivision (a) of Section 14043.36, for the purpose of presenting and discussing information and evidence that may impact the department’s decision to modify or terminate the sanction.

RAD Code and Correlation Table Changes

The following Remittance Advice Details (RAD) message has been added to help reconcile provider accounts.

Suspension of Entities Submitting Claims for Suspended Providers

Entities submitting claims for services rendered by a health care provider suspended from Medi-Cal or excluded from Medicare or Medicaid by the Federal Office of Inspector General are subject to Medi-Cal suspension.

Welfare and Institutions Code (W&I Code), Section 14043.61(a), states, in relevant part, that “a provider shall be subject to suspension if claims for payment are submitted under any provider number used by the provider to obtain reimbursement from Medi-Cal for the services, goods, supplies or merchandise provided, directly or indirectly, to a Medi-Cal recipient by an individual or entity that is suspended, excluded, or otherwise ineligible because of a sanction to receive, directly or indirectly, reimbursement from Medi-Cal and the individual or entity is listed on either the *Medi-Cal Suspended and Ineligible Provider List* or any list published by the Federal Office of Inspector General regarding the suspension or exclusion of individuals or entities from the Federal Medicare and Medicaid programs, to identify suspended, excluded, or otherwise ineligible providers.”
